Be prepared to have fun and learn lots about horses!
www.harrogatehills.com

Harrogate Hills offers first-class horseback riding lessons tailored to the individual

What parents can expect...

Your children will be totally immersed in the world of horses and their dream of having a horse of their own can be a reality every day.

Safety is our priority and lessons on the ground are given to ensure that all campers gain the knowledge and skills necessary to safely handle and work around horses. A passion for horses gives campers a focus that helps them develop discipline, physical stamina and fitness. They'll come home a little dirty, a little tired, but very happy.

Knowledgeable staff

Safe, friendly horses

Make new friends

Build confidence

Lunch included

Ride daily

What campers will be doing...

All campers will spend 1.5 to 2 hours a day in the saddle. Beginners will have an opportunity to develop an independent and balanced seat and the more advance riders will continue to

develop a training philosophy for their horse on the flat and over fences. Learning the elements of basic care for their own horse such as cleaning, feeding and watering, and recognizing common health issues are all part of the day. Good work habits are developed as all staff and campers join together to keep the barn and working area neat and tidy.

The Harrogate Advantage...

Our experienced and friendly school horses are owned and maintained year round by Harrogate Hills. We have a wide range of horses that we know well and that are suitable for the beginner and advanced rider. Our staff is committed and knowledgeable and they help create a friendly, enthusiastic and encouraging atmosphere.

To ensure that our high standard of safety is maintained, we ask that all campers are suitably dressed. For riding lessons, long pants and boots with a half inch defined heel are mandatory. Helmets, which we will provide as needed, meet industry standards. All saddles have been equipped with break away stirrups that provide additional safety for the rider. Our senior staff also have Red Cross First Aid Certificates.
